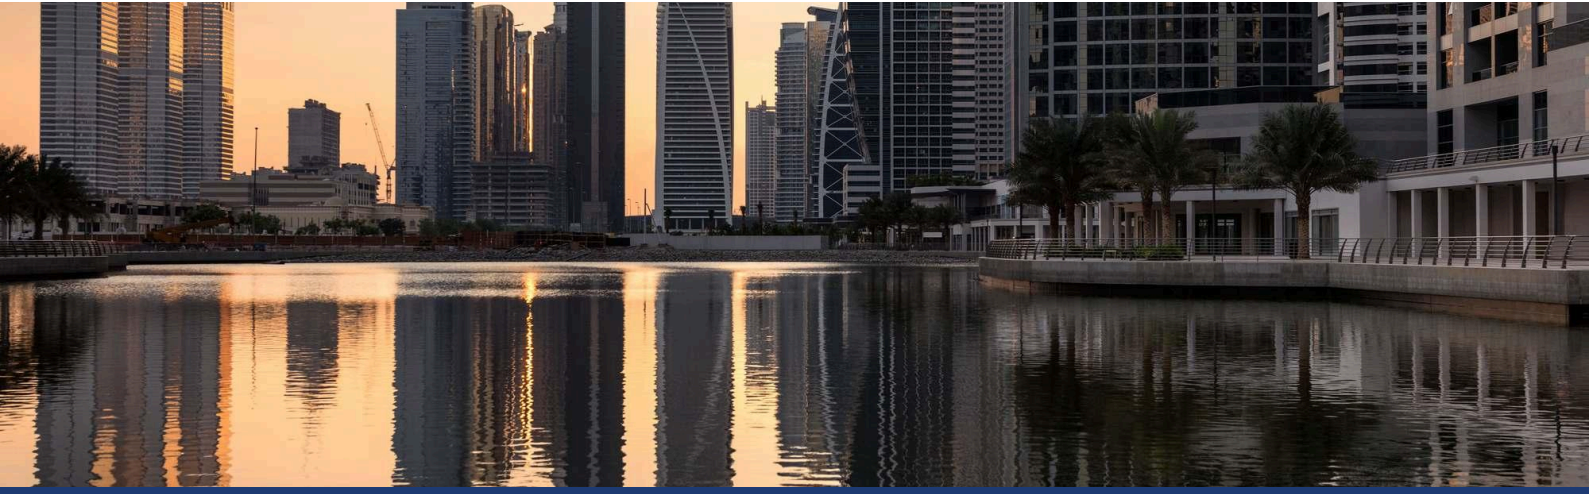
About Us.

Introduction

Destel Energy DMCC is a Dubai-based supplier of marine fuels and lubricants, serving ship owners, operators and charterers in 30+ ports across six regions. Founded in 2014 and headquartered at Uptown Tower, DMCC, we are part of the Destel Group, established in 1991.

One Dubai desk coordinates every stem, from nomination to completion. We supply on spec and on schedule, with clear confirmations, transparent pricing and regulatory compliance for every vessel we serve. Our quality and environmental management is certified to ISO 9001:2015 and ISO 14001:2015.



Mission & Values.

MISSION

Our mission is to give the global maritime industry reliable supply of marine fuels and lubricants, on spec and on schedule. We work with transparent pricing and high standards of regulatory compliance, backed by a 24/7/365 operations desk that keeps our customers moving, whatever the market does.

VALUES

- **Ambition:** faster response, better execution and broader coverage.
- **Integrity:** transparent pricing, clear terms and a documented trail.
- **Responsiveness:** 24/7 coordination, from nomination to completion.
- **Commitment:** full operational ownership until completion.

Our Philosophy.

Our philosophy is simple: reliable supply and honest service. Our team brings 30+ years of experience in bunker supply, and we put it to work on every stem, with a fast quote, a clear confirmation and close coordination until the supply is complete.

We hold ourselves to high standards and keep improving, so that our customers can rely on us, port after port.

Services.

Destel Energy supplies marine fuels, lubricants and offshore logistics from one Dubai desk, keeping your fleet fueled, compliant and on schedule in 30+ ports across six regions.

MARINE FUEL SUPPLY

Every sulphur limit

Fuel oils and distillates for every sulphur limit, supplied on spec in the ports we cover. Where the port allows, supply alongside by truck can also be arranged.

GRADES

HSFO · VLSFO · ULSFO · LSMGO · EN 590 diesel

Biofuels on request. Availability varies by port; we confirm grade and specification with every quote.

LUBRICANTS SUPPLY

To your engine maker's specification

Your engine maker sets the standard, and we meet it. We supply the exact lubricant your machinery's manufacturer specifies, or an OEM-approved equivalent, supplied alongside in bulk or in barrels, on schedule. The right oil protects performance and extends the life of your machinery.

LEADING BRANDS, INCLUDING

Shell · Mobil · Castrol · Chevron · TotalEnergies · ENOC · ELINOIL · LPC · Aegean Oil

Engine oils, system oils and greases, with technical support and oil analysis coordination.

OFFSHORE LOGISTICS

Shore to sea

Offshore operations depend on precise logistics. We coordinate the movement of fuels, equipment and supplies to remote offshore assets, linking shore-side supply chains with operations at sea.
